## 2018 SAT II Chinese Subject Test Prep Course Registration Form

Dear Parents and Guardians:

Given that the SAT Chinese Subject Test is only administered once a year and early in the school year in November, most students do not feel they have an adequate amount of time to prepare for the test. Many students thus opt not to take the test at all, missing out on a great opportunity to strengthen their Chinese as well as their college applications. To better assist students in their preparation, CSSM is offering a prep course. The fall prep course spans 7 weeks for a total of 14 hours of class. Tuition is only \$35 per time and enrollment is limited to 10-15 students, so be sure to register early.
